

| F# | Part number  | Name of part            | Specifications         |
|----|--------------|-------------------------|------------------------|
| 1  | 04000695010  | Packing                 |                        |
| 2  | 03032663010  | Suction head assembly   |                        |
| 3  | 03032666010  | Gasket (A)              | 1T                     |
| 4  | 04033498010  | Filter element          |                        |
| 5  | 03032673010  | VC120 assembly          |                        |
| 6  | 50000108110  | Elbow                   | Nom. 1.1/2 FCMB White  |
| 7  | 50003808210  | Barrel nipple           | Nom. 1.2/2 SGP White   |
| 8  | 02030770010  | Suction case            | Machined on Part A     |
| 9  | 50007002100  | Blind plug              |                        |
| 10 | 04040737010  | D type compound gauge   | φ 60                   |
| 11 | 50007008100  | Blind plug              |                        |
| 12 | 04033493010  | Gasket (B)              | 1.0T                   |
| 13 | 030326657010 | Muffler head assembly   |                        |
| 14 | 03032668010  | Muffler assembly        |                        |
| 16 | 04033480910  | Muffler valve           |                        |
| 16 | 04000089010  | Spring (A)              |                        |
| 17 | 02032669010  | Muffler body            |                        |
| 18 | 04000090010  | Spring (B)              |                        |
| 19 | 04033481010  | Supporting bolt         | SUS                    |
| 20 | 04033484010  | Stopper                 |                        |
| 21 | 04033494010  | Gasket (C)              |                        |
| 22 | 02030772010  | Delivery case cap       |                        |
| 23 | 04033487010  | Stay bolt               |                        |
| 24 | 04033495010  | Gasket (D)              | 1.0T                   |
| 26 | 02030772010  | Delivery case           | Not machined on Part D |
| 26 | 03032661010  | Throttle pipe           |                        |
| 27 | 04033486010  | Gasket (E)              | 20D×8.5D×1.0T          |
| 28 | 04033488010  | Washer                  |                        |
| 29 | 04033482010  | V pulley                |                        |
| 30 | 03040719010  | Belt cover assembly     |                        |
| 31 | 35300310570  | V belt                  | H-57                   |
| 32 | 04033491010  | V pulley                |                        |
| 33 | 02034578010  | Inner plate assembly    |                        |
| 34 | 20100822090  | Motor (Mitsubishi)      |                        |
| 35 | 2201000020   | Slide base (Mitsubishi) | For 132 S              |
| 36 | 02030775010  | Base assembly           |                        |
| 37 | KRA12-V-G1   | KRA12-V pump only       |                        |
| 38 | 02030774010  | Fan cover               |                        |
| 39 | 12038100010  | Mold card bush          | BU-4796 MO18           |
| 40 | 03032668010  | Fan guard               |                        |
| 41 | 50000041190  | Fan                     | 250 mm (Suction type)  |
| 42 | 04033490010  | Fan motor foot assembly |                        |
| 43 | 03A30469010  | Fan motor               |                        |
| 44 | 72030722050  | Condenser               |                        |
| 45 | 17462220060  | "Snappy"                |                        |
| 46 | KRA12        | KRA12 bare pump         |                        |
| 47 | 04033476010  | Bearing retainer        |                        |
| 48 | 39009206150  | Bearing (NTN)           |                        |
| 49 | 04033477010  | Spacer                  |                        |
| 50 | 04033478010  | Spacer collar           |                        |
| 51 | 03032653010  | Side plate              |                        |
| 52 | 04033684010  | Vane (Blade)            |                        |
| 53 | 83800814000  | Parallel key            |                        |
| 54 | 30032652010  | Rotor assembly          |                        |
| 55 | 33611216100  | Taper pin               |                        |
| 56 | 01030330010  | Cylinder                |                        |
| 57 | 03032664010  | End cover               |                        |
| 58 |              |                         |                        |
